

SIXTY-EIGHTH YEAR

Wheat Price Will Be Set On Friday

Gardiner Hints At Extension Of British Agreement

OTTAWA, Dec. 29.—(BUP)—Canadian proposals on the 1949 Anglo-Canadian wheat agreement are before the British government, and an answer will be made by Friday, Agriculture Minister James G. Gardiner told a press conference today.

He did not reveal any prices, or whether the present price of \$2 a bushel would be increased over the first two years of the four-year agreement.

But he did hint at an extension of the contract.

"We discussed only the cash settlement and the possibility of an agreement for a longer period of security and stability," Gardiner said.

"There are possibilities of stabilizing over a longer period," the minister continued.

MINISTER SATISFIED

Gardiner described his recent discussion with British food authorities in London as "very satisfactory."

"We have not got to the point where anything prevents the agreement," he said.

"I received the suggestions of the British government and brought them back," he said. "We have sent a cable to Britain in regard to the proposals. There has been no reply yet."

Gardiner outlined the terms of the wheat agreement, which began July, 1946 and promised Canadian supply of 100,000,000 bushels of wheat each year. The initial price was \$1.50 per bushel, but a clause

Mercury Due For Drop Here

Temperatures in Edmonton are due to a slight drop Thursday.

According to forecast of weatherman, reading will be about 10 degrees lower than today.

Winds, which were due to increase to a speed of 30 miles per hour this afternoon will continue until midnight tonight, but will drop rapidly after that.

Overnight low will be about the same as tonight.

Temperatures elsewhere across the prairies are much the same as in Edmonton. In the Peace River area temperatures are dropping slightly and the mercury is expected to hit five below zero at Grande Prairie.

No marked change in the weather is expected before New Year's.

Forecast valid until midnight.

Cloudy, clearing late this evening and tomorrow.

Light winds becoming northwest at 20 mph this evening and evening breeze.

Light winds becoming northwest at 20 mph this evening and evening breeze.

Light winds becoming northwest at 20 mph this evening and evening breeze.

B.C. Agrees On Prosecution

VANCOUVER, Dec. 29.—(CP)—Federal prosecution in the alleged bakery combine now is possible, British Columbia has cleared the way by agreeing to give federal authorities the right to take whatever action is necessary.

"I have told Ottawa to do as they see fit," said Attorney-General Gordon S. Winner, shortly before he left here last night on a trip to California.

Earlier, Saskatchewan and Alberta had consented to federal action in the case.

The Federal Commission of Investigation Commission charged five western bakers and two trade associations in British Columbia, Alberta and Saskatchewan had a combine for price-fixing in the bakery industry.

Before federal prosecution could be sanctioned, it was necessary to get the consent of the three provinces involved.

TRUMAN CHIDED FOR TANTALIZING WORLD

LONDON, Dec. 29.—(BUP)—The London Daily Mail chided President Truman today for tantalizing the world with his Kansas City speech.

"If Mr. Truman believes he has friends inside the Kremlin," the conservative newspaper said, "he should try to improve the acquaintance. He ought not throw out a statement such as he made and leave it at that."

In a front-page editorial, the Mail said that Mr. Truman was "a remarkable utterance," and raised upon him to "elaborate—as far as he can."

"No one would expect him to name the Russian leaders he has in mind at this stage," the Mail said.

Regarding the accuracy of Mr. Truman's statement that "certain leaders in Russia are anxious for an understanding with the United States," the Mail commented that "information, otherwise the President of the United States would scarcely have made it."

"Now everyone is wondering what this information was," the Mail said, adding that Mr. Truman now "should tell us not only what he meant to say, but what he means to do."

Britons In Uphear Over Prince's Picture

LONDON, Dec. 29.—(AP)—Britons got their first look today—by way of a picture from the French press—at their infant Prince Charles with his mother, the Queen.

At the tender age of six weeks, the infant who some day may be King was in the centre of a dispute over release of the first official set of pictures showing him nestled in his crib and wide awake.

It happened this way:

Cecil Beaton, a court photographer, took portraits of the Prince at Buckingham Palace before the Dec. 13 christening. The pictures were circulated by some photo agencies for use on or after Jan. 2. The date was set by the Palace, to permit simultaneous publication of the pictures.

Soon isolated instances of newspapers in the United States, Rome, Copenhagen and Paris printing the pictures despite the embargo were reported back to London.

Buckingham Palace stood by the Jan. 2 release.

Yesterday the Evening Standard printed a reproduction of the front page of the Paris Sunday Star. There, almost as big as life, was the photo of bright-eyed Prince Charles.

Cries of protest from the Standard's evoked competitors—the Star and the Evening News—echoed in Fleet Street.

Hurried telephone calls to Gen. Sir Frederick Browning, master of the household of Princess Elizabeth and the Duke of Edinburgh, brought permission for a general release of the picture.

The Star and Evening News late editions then appeared with the original pictures splashed over their front pages.

Then, too fast, the public relations office at Buckingham Palace declared that the Jan. 2 embargo stood.

Representatives of all picture agencies in London held a hasty conference. They decided on an immediate general release because publication of the pictures had become so widespread by now that the embargo no longer was countervailing.

BRITISH TARS CLAIM SEEING SEA MONSTER

MONBASA, Kenya, Dec. 29.—(CP)—British sailors who spent Christmas in port here claimed today they had seen a sea monster.

"They said it had a head like a bull, only larger, with ears or horns, and was covered in scales," the sailors are members of the crew of the Clan Line ship, Clan MacBrayne, which arrived here from Liverpool Christmas Eve.

"They were in time to hear stories of how two RAF corporals had chased the "monster" (known to generations of Africans as the "black thing" (kikuyu) across Monbasa's harbor in a motor launch.

NINE DOLLAR DOGGIE

PUP AND REWARD were found lost in Chicago's Northwestern Railroad station Sunday. The sad-eyed pup, with nine \$1 bills fastened to his collar, found a temporary home with lost-and-found department men.

Gas Takes 3 Lives In Vancouver

Two Others Are Overcome, In Hospital

VANCOUVER, Dec. 29.—(CP)—Three persons were asphyxiated yesterday in two separate mishaps, one of which snuffed out the lives of an 11-year-old girl and her mother.

The father, only surviving member of the family, and a brother of another of the victims hailed for their lives in hospital today.

Mrs. Eva Gagnier, 36; her only child, Barbara Gagnier, and Neil Smith, 11.

In hospital in poor condition are Joseph Gagnier, 32, and Joseph Smith, brother of Neil. The tragedy at the Gagnier home was discovered by a late neighbor and Ray Johnson, occupant of a basement suite in the Gagnier home.

The father, only surviving member of the family, and a brother of another of the victims hailed for their lives in hospital today.

U.S. Awards Contract For Atomic Unit

By Richard G. Harris

POUGHKEEPSIE, N.Y., Dec. 29.—(BUP)—Elliott Roosevelt was late today for his date with the Dutchess County district attorney to give his version of how the wrist of his wife, Fayne Emerson, was slashed.

A jury, dead in its cage, was the first indication at the Gagnier home that anything was wrong.

NOTHING AMISS

Mr. Johnston said he went upstairs early yesterday to use the telephone and found nothing at the time to arouse his suspicions.

"I heard Joe breathing heavily and found him lying on the floor," he said. "When I saw him, he was dead. There was no sound from upstairs. I called the police and they came late afternoon. I became alarmed and called Mrs. Harrington (a neighbor)."

U.S. Awards Contract For Atomic Unit

PITTSBURGH, Dec. 29.—(AP)—The Westinghouse Electric Corporation today announced a contract for the construction of the world's first atomic power plant for the propulsion of a ship.

The assignment was handed to the company by the United States Atomic Energy Commission.

Primary goal of the project will be the development of a power plant for the propulsion of United States Navy ships by means of a nuclear reactor—a uranium furnace with a function quite similar to ship's fireboxes that consume coal or oil.

McCauley said that Roosevelt had insisted that Emerson remain at the hospital where she was taken early Sunday, although the attending physician had explained that the wrist wound was only minor and had been inflicted accidentally.

Arab Invasion Reported to U.N. Council

First Public Word Given of Attack

PARIS, Dec. 29.—(BUP)—The United Nations Security Council today heard the first public word given of an Arab invasion of Israel in Palestine.

A troop withdrawal to old truce lines in the Negev, and immediate armistice negotiations.

The council approved a British resolution entailing a broad directive on Palestine after Harold Ben-Gurion, Israeli prime minister, had indicated that he came to the "immediate" aid of the other in case either was involved in war.

Java Peace By Friday Night

PARIS, Dec. 29.—(AP)—The Netherlands told the United Nations Security Council today they will order an end of hostilities in Indonesia at midnight Friday.

The Netherlands representative, Sir Herman Van Rooy, also announced that the Netherlands soon will release President Soekarno of the Indonesian Republic and members of his cabinet, captured at the onset of Dutch operations.

CONDITIONAL RELEASE

The release will be "on the understanding that the persons concerned will refrain from activities endangering public security," he said.

The statement came within an hour of the end of a 24-hour deadline served by the Council on Holland yesterday for the liberation of the Indonesian republicans.

YOU TOO CAN BECOME STAR OF THE STAGE

Any thespians in the audience? The Edmonton Community Theatre begins casting for its next play, Shakespeare's Merry Wives of Windsor, at 7:45 this evening, and any interested citizen is invited to try out for a part. There are approximately 20 roles to be filled, the majority being male. There will be a second try-out tomorrow. Both will be held in the Community Theatre workshop, 9902 102 avenue, beside the Red Cross Blood Donor Clinic.

Trial Ordered In Drug Case

Charged with illegal possession of drugs, Cpl. Silver of the RCMP, was committed for trial at the next sitting of the Supreme Court by Magistrate A. L. Miller.

Magistrate presided at a preliminary hearing of the charge Wednesday morning.

Detective Cpl. Silver of the RCMP stated at the hearing that he arrested the accused on the morning of Dec. 9, at a place in a nearby police car, he said, attempted to place a small package in her mouth. It was later recovered and found to contain an obscene letter.

Austin was released on bail of \$1,000.

BRIAN DOHERTY BRINGING PLAY DRUNKARD HERE

TORONTO, Dec. 28.—(AP)—Brian Doherty, Toronto theatrical producer, and the cast of his musical melodrama, The Drunkard, left by plane Wednesday for Winnipeg for a tour of western Canada after a 10-week tour of eastern centers.

The tour of the Canadian professional stage company, which Mr. Doherty said was a "romantic success" in the east, will include a week at Winnipeg opening New Year's Eve and visits to Brandon, Regina, Saskatoon, Edmonton, Calgary, Vancouver, Victoria and Nanaimo, concluding the week of Feb. 14.

Mr. Doherty said his chief concern is to develop the professional theatre right across Canada.

J. R. McMillan To New Post

Former superintendent of Edmonton division of Canadian National Railways, J. R. McMillan, has been appointed general superintendent of Manitoba district, it was announced today.

Appointment will be effective Jan. 1, 1949.

McMillan, who is 50, was born in Winnipeg and started his railway career in J. R. McMillan that city as a steno-grapher in the general passenger agent's office in 1925. One year later he was transferred to the operating department, with which he has served since, in many western centers.

He was appointed assistant superintendent at Mirr, Alt., in 1938 and then here.

He returned to Winnipeg in 1947 on his appointment as assistant to the general manager.

Winnipeg To Get Oleo In January

WINNIPEG, Dec. 28.—(CP)—Canadian-made margarine, manufactured by the Tomlinson Canadian Packers Ltd., likely will be available in limited quantity in Winnipeg early in the New Year, it was learned today.

It is expected that the margarine will retail for about 25 cents less per pound than butter.

Tomlinson has been taken over by Manitoba dairy interests to stop the sale of margarine in the province but the matter is expected to be discussed next month at the annual meeting of the Manitoba Dairy Association.

Stamp Collections Theme Of Address

History of stamp collections and design, during centuries back, was heard Tuesday evening by members of the Y. M. C. A. Club at their weekly meeting in YMCA.

Speaker was C. B. Cox, president of Edmonton Stamp Club.

Mr. Cox gave an outline of the history of stamp collecting, and origin of many types. He also showed samples of his own collection.

Deaths Yesterday

NEW YORK.—Paul Perrot, 74, last manager of famed French restaurant.

LONDON.—Mrs. Margaret Peder, author of 38 novels during the past 30 years.

VANCOUVER.—Hugh M. Lewis, 37, vice-president and general manager of Sorel Pulp Company, Ltd.

POTTSVILLE, Pa.—Wesley B. Noye, 36, nationally known stunt rider.

Criminal Record Bars Briton From Canada

VANCOUVER, Dec. 28.—(CP)—Reginald Hipwell, outspoke British publisher who flew from England to be with his two sons here on Christmas, was denied entry to Canada at Seattle because of a criminal record.

In Seattle yesterday, Hipwell, 41, said he intends to sue the Canadian Government for its action. He said the government refused him for his "moral turpitude" and added, laughing, "that that is a lovely phrase."

"I'll never get a judge against your government in Canada," Hipwell said in a telephone interview from Seattle, "but in England I'll take it, if necessary."

MOUNTIES STEP IN

Meanwhile, D. McC. Gordon, antique dealer, is suing legal action against Hipwell for recovery of a house and furniture sold to the British publisher earlier this year. The house was bartered for diamonds allegedly worth \$5,000. The

WOODLAND DAIRY OPPOSES 6-Day Milk Distribution

MORROW-TAIT PLANE COMING BY TRUCK

FAIRBANKS, Alaska, Dec. 29.—(AP)—Would-be world flier Mrs. Richard Morrow-Tait and the plane in which she cracked up are soon to be reunited at Edmonton—but the job of bringing them together again hasn't been easy.

Her aircraft, Thursday's Child, was brought by truck to Fairbanks municipal airport for complete dismantling. The process was started by Ladd Field maintenance crews in temperatures down to 60 degrees below zero at the spot where she was forced down two weeks ago in the Alaskan highway.

Jim Dodson, local airline official, said he agreed to disassemble the plane and load it on a truck bound for Edmonton—and it possibly will be southward bound by the end of this week.

Judgment Is Reserved On Sunday Holiday

Opposition to instigation of the six-day milk delivery proposal was expressed Tuesday by Woodland Dairy Co. Ltd., and a representative of the producer-distributors operating in Edmonton.

The submission was made at a hearing conducted by the Board of Public Utilities Commissioners of an application by three city milk distributing firms for a six-month trial period of the six-day-delivery system. Hearing is being held in the Council Chamber of Civic Block.

The companies making the application are: Edmonton City Dairy, Northern Alberta Dairy Pool, and Jasper Dairy.

The producer-distributors are a group of small dairy farmers who sell production from their herds to city customers.

Representative of the producer-distributors said it would not be possible for them to meet an order scheduling Sunday deliveries.

Their milk supply would not permit accumulation of reserve to make double volume delivery on Sunday. Initiation of Sunday deliveries would eliminate them from the milk business.

DOCTORS TESTIFY Husband Feared Sick Child

Dr. H. R. Thomson, head of the department of dairying, University of Alberta, said milk could be kept at a safe bacterial level for four days provided it was kept at a temperature lower than 50 degrees.

Answering a question by Murray Haskins, spokesman for the applicants, Dr. Thomson said he would hesitate to give milk to children which had been kept for more than that beyond refrigeration.

Dr. G. M. Little, medical officer of health, warned of possible sickness among young children, in homes not properly equipped with refrigerators, if they were kept for several days.

He agreed with Dr. Thomson's opinion on that bacteria in milk increases rapidly after four days when refrigeration is not available.

Edmonton Seaman Given Promotion

Able Seaman Douglas E. Townson, RCN, of Edmonton and Victoria, was promoted to acting leading seaman, according to a recent list of lower deck advancement in the Royal Canadian Navy.

Born in Edmonton 26 years ago, leading Seaman Townson joined the Royal Canadian Navy in November, 1942. During the war he served as the destroyer Saguenay and the minesweeper Rockefeller. He was mentioned in dispatches in November, 1944 and received the French Croix de Guerre in January, 1946. He is presently serving aboard the oceanographic survey vessel Cedarwood.

Leading Seaman Townson is married and makes his home at 612 Head street, Victoria.

New Refinery Will Take Year at Least

At least a year will probably elapse before a planned refinery, to be built in Edmonton by McColl-Frontenac Oil Company, can be in operation.

Edmonton oil men, familiar with the details of refinery construction, said that it would take the shortest time in which a refinery can be set up and operating.

McColl-Frontenac announced Tuesday plans to spend approximately \$10,000,000 on a refinery in the city.

It was also unofficially rumored that plans for the refinery may call for a total expenditure of nearly \$20,000,000 before it is completed.

Housing Hits Government

Work of dividing the Alberta department of lands and mines into two departments is making slow headway, Hon. N. E. Tanner said today.

"Only drawback is where we are to put the new branch of government," Mr. Tanner said. Present buildings are strained to capacity with existing staffs.

Legislation approved at the 1948 session of the Alberta legislature provided for the establishment of a department of lands and forests and a department of mines and minerals to replace the present single branch of lands and mines.

Reason given for the split was that discovery of oil in the province had more than doubled the amount of work in the present single department.

Mr. Tanner said new legislation was being prepared and amended legislation being framed to existing legislation so that the new department could get to work on April 1, 1949.

R. W. Greene Is Promoted

W. C. Casey will retire Dec. 31 as Canadian Pacific Steamship general passenger agent for the prairie region, to be succeeded at Winnipeg by R. W. Greene, assistant steamship general agent at Edmonton.

Other moves following Mr. Casey's retirement are: G. R. Swallow, steamship travelling passenger agent at Saskatoon, to be replaced by H. H. Dalton, steamship travelling passenger agent at Winnipeg, to replace Mr. Swallow.

Both Mr. Swallow and Mr. Dalton will have a year of service in the general agent, and their authority will be provided by the board of directors of the changes was made today by H. H. Beaumont, steamship passenger travel manager at Montreal.

Mr. Greene is promoted to his new position after extensive experience with western steamship traffic. Joining the Canadian Pacific at Winnipeg in 1931, he was appointed three years later as assistant steamship general agent at Calgary. He moved to Edmonton in 1939 in the same capacity. A prominent golfer, Mr. Greene is also an active golfer and curler.

With the exception of two years in Winnipeg, Mr. Swallow has been with the Canadian Pacific at Saskatoon since 1918. Starting with the railway passenger department, he transferred to the steamship lines in 1922 when he became steamship travelling passenger agent at Winnipeg. He returned to Saskatoon two years later in the same capacity. An active Mason and Shriner and past president of the Saskatchewan Lions Club, Mr. Swallow also served as president of the Western Saskatchewan branch of the Canadian National Institute for the Blind.

CLAIMS NO COMPLAINTS

Russell "Barney" Stanley, general manager, Northern Alberta Dairy Pool, told commissioners there had been no complaints from any of the city's milk consumers where the six-day delivery system had been instituted.

He was of the opinion that 90 per cent of consumers would not complain of inconvenience. They preferred to have the men relieved from Sunday work.

He told a representative of the Canadian Association of Consumers that the three companies would not discriminate in dispatching the six-day delivery system even if it costs more than the present delivery system.

WOODLAND'S STAND

Operational costs of its company would be increased by approximately \$10,000 by the instigation of the system, Mr. W. Baker, manager, Woodland Dairy Co., told commissioners.

Only 50 per cent of residents, he added, have facilities to protect against the extra day's supply necessary in life families over the Sunday.

The change would also be reflected back to producers through the milk price.

FAR FROM HOME, this little Eskimo girl, Soeki Apt. 7, looks mighty disconsolate in government hospital at Quebec City, where she is being treated for tuberculosis. Medical superintendent and nurses are doing their best to cheer her up, but without visible success.

Transit System Deficit \$38,344 Over Last Year

Deficit on transit system's operations for the 11 months ended Nov. 30 totalled \$176,621, compared with \$133,277 for the same period last year, an increase of \$38,344.

Trucker Fined \$40 And Costs In Traffic Case

Fred Doherty, Newmarket district trucker, was fined \$40 and costs or two months in jail, when he appeared before Magistrate A. L. Miller in city police court Wednesday.

Prodnik was charged by Const. A. Stewart of the RCMP who had observed the truck travelling well to the left of the centre line on the Fort trail near 118 avenue.

Fred Harty, Edmonton taxi driver, was fined \$25 and costs or 35 days, when he pleaded guilty to a breach of the vehicle and highway traffic act. He was charged with travelling in excess of 40 miles an hour on Jasper avenue east, near Penn side.

Fine of \$5 and costs was imposed on Flora Plomonska, 9725 110th street, for failing to dim lights while driving incoming traffic while meeting on road on 35 street, near 107 avenue.

Capital Charges Up

Capital charges during the 1948 period totalled \$63,967 compared with \$56,630 for the same period last year, an increase of \$6,437.

Taxes paid by the utilities in the 11 months of this year amounted to \$87,911 against \$77,945 for the same period last year, an increase of \$4,965.

Nine Jap Officers Will Be Hanged

TOKYO, Dec. 28.—(AP)—Nine Japanese officers, including three generals, were sentenced today to be hanged for breaching 20 B-29 fliers.

A United States Army commission gave 16 others prison terms ranging from five years to life.

Trial testimony told how the American fliers were decapitated after they had been used by Japanese soldiers as targets at archery and sword practice.

They were put to death Aug. 10, 1945, in retaliation for the atomic bombings of Hiroshima and Nagasaki.

Sewer Building Second Highest In City History

Sewer construction during 1948 reached the second highest peak in the city's history, according to A. W. Haddow, city engineer.

Only the boom year of 1913 exceeded this year in total of sewer mileage constructed.

Approximately \$200,000 of the estimated \$600,000 sewer construction program for this year will be completed.

Total of 17 miles of trunk, main, laterals and house sewer services were constructed during the year.

It is expected that sewer construction in 1949 will exceed the \$1,000,000 mark by a substantial margin.

No Mail Jan. 1

New Year's Day, a statutory holiday, there will be no delivery of mail by letter carrier, and the post office workers will be closed all day.

The receipt and dispatch of mail will be as usual.

WATCH COMES BACK to Corporal Bobby Lee Dyer, U.S. Marine Corps veteran, who lost gift from his wife during the fighting in Okinawa. Another GI found the timepiece in possession of a Japanese prisoner and now it's back on the wrist of original owner.

SOCIAL and PERSONAL

Wigeland-Blais Vows Taken Monday Morning

Amid a setting of poinsettias intermingled with red carnations and white chrysanthemums, Jocelyne Marie Blais was married at St. Joachim's Church Monday at 10 a.m. to G. Erik B. Wigeland, Rev. Fr. O. Fournier performed the double-ring ceremony.

The bride is the daughter of Mr. and Mrs. Leon Blais and the bridegroom is the son of Mr. and Mrs. G. S. Hotzow-Wigeland, all of Edmonton.

Given in marriage by her father, the bride wore a white satin wedding gown with beaded train and lace, with green and red candles in silver vases. She carried a bouquet of white roses. Her bridesmaid wore a white dress with a pink corsage and also carried a bouquet of American Beauty roses.

The bridegroom's gift to the bride was a family heirloom, a dinner ring of amethyst, emerald and diamonds.

Bridesmaids were Mary Martin and Angie Brault. They were groomed alike in turquoise blue with matching mittens and beaded coronets in their hair. They carried bouquets of yellow and white chrysanthemums.

Flower girl was Simone Blais. She wore a long chiffon frock with a pink band in her hair and carried a basket of white wedding flowers. Ring bearer was Richard Blais, brother of the bride.

Gravill Heston was best man and usher, wearing a grey suit with a pink tie. He carried a book of hymns. Best man was played by Mrs. Annette Heston and soloist was Mrs. Paul Galt.

A reception was held at the Corona hotel where white satin streamers and white wedding bells decorated the bride's table which was centered with a white cake. White lilies and yellow chrysanthemums completed table arrangements.

For her daughter's wedding, Mrs. Blais chose a pale blue crepe dress with which she wore a black picture hat with blue feather trim and a corsage of pink roses. The bridegroom's mother received in a black crepe dress with black accessories and corsage of white roses.

Assisting at the reception were Lillian Fisher, Norma Grobbs and Mrs. H. Prince. Mrs. Alfred Blais, Jr., of Calgary, was a guest. Dorian poured coffee.

During the reception, Miss Angie Brault gave several roses to guests, accompanied by Mrs. Alfred Blais, Jr.

Miss Martin proposed the toast to the bride.

The couple will live in Edmonton after a short honeymoon. For travelling, the bride wore a mid-night blue dress complemented by a black hat with blue feather trim and a corsage of white roses.

Miss Jocelyne Blais was her sister's only attendant. She wore a dark brown suit with which she wore white and brown accessories and a corsage of pink carnations.

Jack Thatcher, brother-in-law of the bride, was best man. A supper following the ceremony was held at the Corona hotel and a reception at the home of the bride's mother.

The bride's mother wore a chocolate brown suit.

Composing the affair is Mrs. E. Blais.

Two wist parties were held and A. V. Pettigrew, of the Recreation Commission, spoke on community play schools. Mrs. G. Pinchbeck and Mrs. A. Foster instructed the women in the art of making imitation Christmas trees.

Weekly afternoon meetings will be resumed in the community hall in the New Year and the ladies of the community are cordially invited to attend.

Afternoon frock of two-tone grey tissue tulle was chosen by the bride. It was fastened on classic lines, and the bodice featured beaded trim. Her hat of matching grey was trimmed with pink feathers. The latter shade being repeated in her gloves. She carried a white prayer book adorned with sweetheart roses and white streamers.

Attending the bride as matron of honor, Mrs. R. Murray Prichard wore a frock of elegant shade with applique trim of bronze beads and a hat of copper-toned velvet and matching accessories completed her ensemble, and she carried a bouquet of allium roses.

Best man was H. Murray Prichard.

Following the ceremony a reception was held at the home of Mrs. and Mr. Prichard.

S. G. Reid proposed the bride toast and assisted the bride. Mrs. O. Park, Miss F. Williams, Miss M. Lewis, and Miss H. Nixon, and Mrs. Kelly left later to spend a honeymoon in Edmonton.

For travelling, the bride changed to a light brown suit, with a darker brown topcoat. Her hat was white, and her other accessories brown and she wore a corsage of white, blue and red.

For travelling, the bride changed to a light brown suit, with a darker brown topcoat. Her hat was white, and her other accessories brown and she wore a corsage of white, blue and red.

EDMONTON BULLETIN, Wednesday, Dec. 29, 1948

Women Liberal Club Serves Christmas Fare

Christmas dinner was served Sunday evening to veterans in Ward Two of Col. Middleton Pavilion by members of Edmonton Women's Liberal Club.

The ward was gay with Christmas decorations and the long table was set with a white linen cloth with green and red candles in silver vases. Santa Claus, a nutcracker and other decorations were arranged on silver plates.

Turkey was carved at the table by Mel Taylor and plum pudding was served in traditional style. Each patient received a gift and basket of fruit and nuts.

Faculty Club Will Entertain At Semi-Formal New Year's Ball

Dining room and lounge of Athabasca Hall on the University campus will be festively decorated on New Year's Eve for the annual semi-formal dance of the University Faculty Club.

Over 150 people, including members of the faculty, members of the Edmonton branch of the Alumni Association, and their guests are expected to attend.

Supper will be served at midnight.

In charge of arrangements is Dr. Douglas Smith.

St. Anthony's Rectory Scene of Wedding

Quiet wedding took place at St. Anthony's rectory Monday at 4 p.m. when Joan Mary Hefferman, only daughter of Mr. and Mrs. J. Hefferman, was married to the son of Mr. and Mrs. Frederick Purcell, all of Edmonton.

Rev. Fr. C. J. Coran performed the ceremony. Following a reception at the home of the bride's parents, the couple left for a honeymoon to Calgary and Banff.

Mr. and Mrs. Purcell will live in Edmonton.

NEWLYWEDS arriving recently in the city from Vancouver and Victoria are Mr. and Mrs. Edward Bolger. Mrs. Bolger is the former Dorothy Smith of Fort Saskatchewan. They will leave shortly to reside in Pullman, Wash.

LEAS AMIES Club will hold their annual supper dance in the Macdonald hotel Wednesday night. Dancing will be from 9 until one in the main dining room, and supper will be served in the ABC section at 10:30.

Whist Drive Prize Winners. Prize winners at the recent whist drive held in the King Edward Park Hall were Mrs. G. Pearson, Mrs. Dawson, Mrs. W. Carline, Mrs. Stalmeyer, V. Humeis and J. Smith.

There will be no whist drives or Junior Film Club shows until Jan. 8.

HOME for Christmas from Longview, B.C. and Mrs. M. H. H. Humphries. They are visiting with their parents, Dean and Mrs. M. E. Lasserre, and Mr. and Mrs. H. J. Humphries.

VISITING for the holiday with Mr. and Mrs. H. A. Scott and Pat Edmondson were Mr. and Mrs. W. J. Biese and their small daughter, Sylvia and Bonnie of White, Sask. Mrs. Biese is a sister of Mr. Scott.

75 Million on Sweets

OTTAWA, Dec. 29.—(CP)—Slater, if you're among those who blame double chin and flabby bulges on sweets, listen to this.

You and other Canadians spent a multi-million dollar fortune last year to satisfy that demon sweet-tooth.

The buying of Statistics, which took taking sides in the argument on whether sweets boost the gluteal trade, reported today in a study figures that Canada's 1947 bill for sweets and chewing gum amounted to more than \$75,000,000.

Two years ago, when sugar rationing and shortage of chewing gum ingredients made sweets and gum in packages, \$41,217,394, chewing gum, \$4,642,874.

Value of the products manufactured in Ontario was set at \$44,594,957, compared with \$21,284,573 for Quebec and \$10,650,353 for all other provinces.

Usually a sugarless nylon means a run in same. You can prevent runs if you pull the sugarless thread through to the wrong side and catch all the pulled threads with tiny stitches.

League WA Reports Successful Year

Newly organized Women's Auxiliary to the Alberta Avenue Community League had a successful fall season.

Two wist parties were held and A. V. Pettigrew, of the Recreation Commission, spoke on community play schools. Mrs. G. Pinchbeck and Mrs. A. Foster instructed the women in the art of making imitation Christmas trees.

Weekly afternoon meetings will be resumed in the community hall in the New Year and the ladies of the community are cordially invited to attend.

Gordon I. Kelley Weds Blanche Evelyn Rickard

CALGARY, Dec. 29.—Mid-afternoon ceremony took place recently in St. Stephen's Anglican Church when Blanche Evelyn Rickard, niece of Mr. and Mrs. R. J. Kelly, of Moosehead, Ont. became the bride of Gordon I. Kelley, son of Mrs. J. Kelley, of Edmonton, and the late Mr. J. Kelly.

Cannet R. H. Maddocks officiated, and the bride was given in marriage by H. Rickard.

Afternoon frock of two-tone grey tissue tulle was chosen by the bride. It was fastened on classic lines, and the bodice featured beaded trim. Her hat of matching grey was trimmed with pink feathers. The latter shade being repeated in her gloves. She carried a white prayer book adorned with sweetheart roses and white streamers.

Attending the bride as matron of honor, Mrs. R. Murray Prichard wore a frock of elegant shade with applique trim of bronze beads and a hat of copper-toned velvet and matching accessories completed her ensemble, and she carried a bouquet of allium roses.

Best man was H. Murray Prichard.

Following the ceremony a reception was held at the home of Mrs. and Mr. Prichard.

S. G. Reid proposed the bride toast and assisted the bride. Mrs. O. Park, Miss F. Williams, Miss M. Lewis, and Miss H. Nixon, and Mrs. Kelly left later to spend a honeymoon in Edmonton.

For travelling, the bride changed to a light brown suit, with a darker brown topcoat. Her hat was white, and her other accessories brown and she wore a corsage of white, blue and red.

For travelling, the bride changed to a light brown suit, with a darker brown topcoat. Her hat was white, and her other accessories brown and she wore a corsage of white, blue and red.

For travelling, the bride changed to a light brown suit, with a darker brown topcoat. Her hat was white, and her other accessories brown and she wore a corsage of white, blue and red.

TRADITIONAL IVORY SATIN gown was chosen by Eunice Reta Hazzard for her recent marriage to Earl Dennis. The wedding took place in Norwood United Church recently. The bride is the daughter of Mrs. James Hazzard of Edmonton. The bridegroom is the son of Mr. and Mrs. John Dennis of Govenlock, Sask.

Eunice Reta Hazzard Weds Earl Dennis At Norwood

Christmas decorations and bronze and yellow mums formed a pretty setting in Norwood United Church for the recent wedding of Eunice Reta Hazzard and Earl Herbert Dennis.

Rev. W. T. Young read the marriage lines for the daughter of Mrs. James Hazzard, of Edmonton, and the son of Mr. and Mrs. John Dennis, of Govenlock, Sask.

Given in marriage by Jason Hazzard, the bride wore a traditional ivory satin gown with matching sleeves and sweetheart neckline. A strand of pearls with matching earrings completed her jewelry, and she carried a bouquet of red roses and white baby mums.

As bridesmaid, Miss Laura McPherson wore a pink brocade tulle frock with pink hat, elbow length veil and matching gloves. Her bouquet was of pink roses and white baby mums.

Niece of the bride, Georgia Taylor, was flower girl. She was dressed in blue tulle, with white chapel veil and carried a nosegay of pink carnations and baby mums.

Douglas Allen was best man, and the guests were ushered by Hub Thompson and Dick Connelton.

During the signing of the register Mrs. Hub Thompson sang "Garden of Hesperia."

The bride's mother assisted the bride couple in receiving at a reception following the ceremony in Norwood Community Hall.

For her daughter's wedding she chose a crepe dress of turquoise blue with black accessories and a corsage of pink and white carnations.

Bride's table was centered with three-tiered wedding cake, flanked by silverware in bronze and gold baby mums.

Bridal toast was proposed by the bride's mother.

Leaving for a honeymoon to be spent in Calgary, the bride changed to a white suit with matching hat and gloves. In decorated busses and Christmas stockings were taken to the children.

After the return Mr. and Mrs. Dennis will live in Leduc.

South Side Gets New Dance Hall

Rainbow Ball Room Has
Gala Preview Tonight

South Edmonton's newest and largest dance hall—the Rainbow Ball Room—opens tonight.

Located at 10827 Whyte avenue, the new dance pavilion offers one of the most modern entertainment centres in western Canada.

Unique in design and construction, the premises feature a spacious dance floor, colorful decorative design, streamline fixtures and up-to-date appliances.

The proprietors, Tom and Howard Stewart, have spared no expense in any phase of their new dance hall and it is most certain to become one of South Edmonton's more popular rendezvous.

BIG SEND OFF
Tonight's opening is something of a preliminary for the grand ball to be staged on New Year's Eve. This affair, according to the management, will be the "big send off" and the ball will be seasonally decorated for the occasion. Dancing will begin at 9 p.m. and continue on until 2 a.m.

PIECE BAND
An eight-piece orchestra under the baton of Heather Marshall, well known to Edmonton dance lovers as a master of both modern and old time music, will provide music. Both old-time and modern music will be featured on the night of the grand ball.

Present plans call for four dances weekly, two old time and two modern. The other two nights the hall will be available for renting to various organizations.

PROUD OWNERS
The Stewart brothers are most proud of their new hall. The exterior is 20 by 120 feet and inside

Brother Act In Dance Hall

Two brothers, Tom and Howard Stewart, are proprietors of South Edmonton's new dance emporium—the Rainbow Ball Room—which officially opens tonight.

The Stewart brothers, who were raised on a farm near Rabbit Hill, four miles south of the city, have returned to Edmonton after a spell in Eastern Canada.

They have formed a partnership and constructed a most modern dance hall.

The Stewarts migrated east in 1924 and Howard did well operating a lumber and tourist business at Niagara Falls, Ont.

Tom worked on the construction of the Detroit-Windsor tunnel and on its completion he took a job on its staff as a police sergeant.

He resigned his post about four years ago and returned to Edmonton. Shortly after his arrival he took charge of Scena Assembly hall, and was leader of "Uncle Tom's orchestra" which played many engagements at the hall.

The Stewart brothers have fast-

SMALL ENGINE CAN'T HURT HIM

WOLVERHAMPTON, England, Dec. 29.—(Reuters).—A 25-year-old railway worker, Leslie Willis, entered his case in its re-opened "Till in the stomach by a light locomotive."

Leslie only spent 90 minutes in hospital, then returned to work the following day.

"It was only a small, 40-hp locomotive," he said.

He lashed the new dance hall along modern lines. Unique interior decorating, modern appliances and a spacious hardwood dance floor make the premises one of the best of its kind in western Canada and one which is certain to prove popular with Edmonton's dancing fraternity.

He resigned his post about four years ago and returned to Edmonton. Shortly after his arrival he took charge of Scena Assembly hall, and was leader of "Uncle Tom's orchestra" which played many engagements at the hall.

The Stewart brothers have fast-

Woman Gets 20-Year Term

MAINTHEIM, Germany, Dec. 29.—(AP).—Mrs. Wilma Yagino of Witten, Mass., yesterday was sentenced to 20 years in prison for killing her American soldier husband in a bedroom quarrel.

The United States military government court of three American judges convicted Mrs. Yagino of killing Sgt. John Yagino of Gotted, Tex., with malice aforethought.

The court rejected her plea that she shot her husband in self-defense.

The verdict climaxed a sensational, seven-day trial, apocryphal, undecorated parties and husband-wife brawls.

Mrs. Yagino claimed her husband
